# Welcome to the 24<sup>th</sup> issue of DARCO India Newsletter

Dear Reader,

**Visit us at 17th Annual Conference of the Diabetic Foot Society of India!**

It's now only some weeks away (23rd – 25th August 2019) and it brightens our daily business here at DARCO India. We're proud to be a part of this high class event in Coimbatore and this year even more so, because with a growing number of distributors throughout India and new products we are even more capable of serving the needs in the country.

We value the opportunity to show our latest innovations and to build new professional relationships. There is a distinctive symbiosis between the exhibitors and the audience at DFSICON. Professionals from the industry engage face to face with medical professionals and caregivers from a range of expertise in the field; gathering from all over the world with a common goal: to improve the health care quality and options for the patients we all service. We are looking forward to welcoming you at our booth in Coimbatore and invite you to learn more about our Newcomer-Products on the following pages. Enjoy reading.

DARCO – Your partner for  
professional foot care!

Yours sincerely

Shashi Surpali  
CEO DARCO Medical India Pvt. Ltd.

## News & Notes

## Learn more about Woundcare-Circle

The 3 Woundcare-Circle founders, DARCO, OPTIMA and Heelift are international market leaders and wellknown companies from Europe and USA. Besides providing innovative product solutions, all three partners are qualified for becoming a member of the Woundcare-Circle by their long lasting and permanent support and funding of the research, the science and the management of foot disease.

Our Vision is to develop an inclusive partnership and multifaceted programme to reduce foot ulcerations and limb amputations. Hence our common goals are:

- > Funding and stimulation of innovative research
- > Increasing public awareness and commitment to the risk of foot ulcerations
- > Creating innovative devices and products to improve quality of life
- > Promoting effective management strategies to improve clinical outcomes

## DARCO Medical India Pvt. Ltd and our partners

### Get to know our distributors: JJ Enterprises

DARCO Medical India Pvt. Ltd. operates through a multi-faceted distribution network. Within our distribution network, we can work closely with health care providers and specialists in foot and ankle care.

#### Distributor: JJ Enterprises, Zirakpur / Punjab

A young and enthusiastic Mr. Anshul stands to fight against a life threatening complication (Diabetic foot complication) after his Uncle lost a leg due to diabetic foot. This incident shocked him and after going through the web about the prevalence of foot complications which is highly neglected in northern part of India, his new journey began. Mr. Anshul travelled to various cities in different part of India to gather information about the best quality footwear to help these patients. His journey met success at DARCO India, Dharwad. Mr. Anshul felt extremely satisfied as his passion to save the Diabetic foot met success. Receiving fantastic responses from medical fraternity across Punjab & Haryana he states that Diabetic patients should know more about the importance of taking care of about their feet.

Established in the year 2015 at Mohali (Punjab) JJ Enterprises is a Sole Proprietorship firm engaged in manufacturing and trading of an excellent quality range of Diabetic, Postoperative and Orthopaedic Footwear. All products are sourced from reliable market vendors and available to clients at reasonable prices. Under the guidance of “Mr. Anshul Sachdeva” (Proprietor), who holds profound knowledge and experience in this domain, JJ Enterprises is able to aptly satisfy clients across the country and abroad. DARCO Medical India is proud to count JJ Enterprises amongst our distributors in India.

Thanks to DARCO India, Tricity (Chandigarh / Mohali / Panchkula) gets the first Diabetes showroom in Zirakpur (Shop No-16, Navjot Square, Ambala-Chandigarh Highway, Zirakpur).

DARCO products are distributed across India through authorised distributors. For more information on our distributors or obtaining a distributorship, please contact us directly or go to our website:

## Resources and Education

# DARCO India Educational Material for our readers!

We're dedicated to sharing information and knowledge with the foot and ankle community through our DARCO India Innovation E-News publication. With this 24th issue we're pleased to announce two new flyers offering detailed description and application notes for our "Newcomers":

## ProMotion® Plus Orthotic Insoles

The DARCO ProMotion® Plus orthotic insole features a full length PORON® Cushioning layer which provides greater comfort and doesn't bottom out long term.

### Indications:

- > Over-pronation
- > Plantar fasciitis
- > Heel pain
- > Foot and arch pain
- > Ankle pain
- > Knee pain

## GTS™ Great Toe Splint

The GTS™ – Great Toe Splint is an adjustable, postoperative splint. Indicated for relief of symptoms associated with hallux valgus and other great toe joint conditions. Manufactured with lightweight neoprene and nylon, the GTS™ can be worn day and night, and its form-fitting design easily accommodates suitable footwear.
